

**Parking:** Due to recent construction around the TNEC Training Center located at the Wannalancit Mill building, student parking is no longer available in the visitor spaces across from the main entrance. TNEC is currently working on alternative parking facilities nearby the training center.

Currently on-street parking is available on a limited basis around the mill building. Parking is also available in the Ayotte Parking Garage for \$8/day; this facility is next to the Tsongas arena and is easy walking distance to the mill. No cost parking is also available in the U-Mass Lowell Perkins lot located on Perkins Street at the corner of Perkins & Aikens. Enter on Perkins and park after the gate.

**George Ayotte Parking Facility Information:**
